

## CALL FOR PROPOSALS

## YARBROUGH RESEARCH GRANTS

2024/2025 Academic Year

The Yarbrough Research Grants program provides funding to undergraduates who are members of the Collegiate Academy to engage in research activities. Approximately four grants are awarded annually and typically range from \$100 to \$500. Top awards may receive as much as \$500 or more. ***The application deadline is April 12, 2024.*** Accepted proposals may be funded as early as June for undergraduates to begin their research. Details are found on the Academy website at [www.ncacadsci.org](http://www.ncacadsci.org).
